

Privacy Policy

A large, semi-transparent watermark of the Motor Mover logo is positioned in the upper left quadrant of the page, partially overlapping the first paragraph of text.

We do not sell or disclose personally identifiable information about our clients or web site visitors to any third party. Any personal or private information you supply to us will be held in strict confidence. We take all reasonable steps to protect the privacy of our clients and web site visitors. No information about our clients and web site visitors will be disclosed unless required by UK law.

We do not use cookies, web bugs, spyware, or any other 'invisible' techniques to identify visitors, other than adding Google & Yahoo! tracking code snippets to some pages to verify if a website visitor has come to us from a paid Pay-Per-Click advertisement we have placed on a search engine.
